

**If you're looking for the best 2006 320 Sundancer money can buy, LOOK NO FURTHER!**

Our '06 320 Sundancer (La Vita Bella) is for sale. She has been meticulously maintained. **No money has been spared to keep her as close to original, and in perfect condition as possible.** She has been kept at Cocoa Village Marine since purchased in 2018. All systems are working perfectly.

Some say the 2006-2008 320 Sundancer's were some of the best ever built. Her spacious cabin includes beautiful Island bed with upgraded 4 inch memory foam topper. AC was recently serviced and blows super cold air on both shore power and **Kohler Genset**. AC/de-humidifier runs year round to keep the cabin fresh and mold free. 50 foot 30 AMP shore power cord included. We have enjoyed countless hours cruising the eastern coast of Florida both inshore and offshore. **This boat is Bahama ready.**

The galley features a two burner electric recessed cooktop. Nice size molded in sink with hot and cold running water. Microwave over, coffee maker combo works perfectly. Plenty of storage for week long getaways. Brand new **Norcold 12/24/120VAC refrigerator**. Super comfy slide out dinette seat converts to full size bed. Beautiful wood dinette table stows under bed when not in use. All factory installed carpet runners installed and in excellent condition.

Bulkhead mounted flat screen TV with BlueRay DVD player and digital antenna. Spacious mid cabin with slide out bed sleeps two comfortably. Flip down DVD/LCD TV. Beautiful lighting throughout the cabin.

Upgraded wet head with vacuflush head, port side mirrored cabinets, hand held shower and built in factory medicine cabinet.

**Bottom professionally cleaned and maintained by Florida Boat Masters.** Contact: Rodney Blount

<https://www.floridaboatmasters.com/>

**Twin Mercruiser 350 MPI fuel injected inboard motors.** Approximately 980 hours, less than 20 hours since replaced in the fall of 2019. **ZF Marine V-Drives** are in perfect condition. Both have been completely serviced and maintained. Shift perfectly, run saliently. Rock solid!

Kohler 5 KW generator, runs great, produces plenty of power for all onboard systems. We've run this generator for days at a time with no issue.

\*Original bill of sale on board in the Sea Ray factory briefcase along with all the original manuals for the boat and systems.

**MUST SEE TO APPRCIATE THE CARE AND LOVE THIS BOAT HAS SEEN. \$75,000**
